

Tips For A Smooth Rehearsal Night

1. Please be courteous and start rehearsal at assigned time. There may be other rehearsals that night. If you feel like you need more time, you can practice after all rehearsals that night is finished.
2. If you have deck or inside for rehearsal dinner, you are welcome to eat first and then practice, but please be ready to practice at assigned time. Rehearsal dinner venue rental is up to 3 hours total.
3. Please bring sheet with wedding party's names & the order that they will be walking down the aisle. Let us know if you need one of us to be there. A small fee may apply.
4. Ask guys to wait by corner of deck to help girls out of truck. Line up from last in line to Best Man. Maid of Honor should be last out.
5. If no truck, have each guy escort their lady down the aisle OR have guys already lined up for ceremony and have each girl walk down separately.
6. Add children in the order, wherever bride wants them.
7. Men should have their elbow bent so their hand is at their belly-button. Women should hold men's bicep with right hand and flowers in the left. Men standing on right side, women on left.
8. IMPORTANT - Let the couple before you reach the front before the next couple starts down the aisle.
9. Watch for photographer and pause for photo before continuing down the aisle.
10. Men should stand and lock thumb into opposite hand, hands together in front of their body
11. Men stand on the right. Women stand on the left.
